## What we've been doing this month:

We're delighted to welcome PC Wills Gardener to the team. Wills has recently joined us and has already settled in well, getting stuck into frontline duties and meeting members of the community. It's great to have him on board, and we're sure many of you will see him out and about in the coming weeks.

There was some good news for local businesses recently, as a prolific shoplifting couple have been brought to justice. After repeatedly targeting shops in the area, they were charged and have now been imprisoned, helping to reduce repeat offending and provide reassurance to retailers and residents alike.

Officers also took part in a joint vehicle operation aimed at improving road safety. During the Op, four Traffic Offence Reports (TORs) were issued — these are official notices for road-related offences. In addition, two illegal e-scooters and one e-bike were seized after being found in use on public roads.

Alongside this work, officers made two arrests and carried out several stop and searches as part of proactive patrols. These activities help keep our neighbourhoods safe and demonstrate our continued commitment to visible policing and tackling issues that matter to the community.

Officers continue to work with partner agencies to reduce ASB on the ward.

Our next ward panel will be the 20<sup>th</sup> May 2026; in the meantime if you wish to contact the team in confidence to discuss any issues or concerns that you may have we can be contacted at:
