## News

This month, your local neighbourhood team have been working on intelligence regarding the cultivation of drugs in the Tilton on the Hill area. At 09:30 Tuesday 24th June, the local team supported by the neighbourhood priority team executed a magistrates misuse of drugs act warrant. This resulted in a large cannabis factory being located inside a specially designed outbuilding. Officers seized approximately £60,000 worth of cannabis.

Four people were arrested, interviewed and have been bailed pending further investigation.

We encourage anyone to report any suspicious behaviour to us anonymously through CrimeStoppers.
