Alcester Police SNTs. Latest Weekly Report. Sunday 14th June 2026

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Jake Kibblewhite who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. The Alcester SNT currently consists of Police officers and Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

Incidents of a public interest from the last week: -

BROOM

Burglary. High Street. Tools marks and door lock broken on door to premises. Entry not gained. Found and reported on Saturday 13th June. 0152 13/06/2026

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

ASTON CANTLOW

Burglary. Chapel Lane. House entered and an untidy search made. Nothing believed stolen at the time of the report. Overnight 9th / 10th June. 0074 10/06/2026

If you have any information regarding the above incidents, please contact us quoting the incident number shown at the end of the entry. This can be done via 101 or on our online portal on the Warwickshire Police Website. [How to tell us about an existing case or report | Warwickshire Police](#)

If you would rather pass on information anonymously, please consider the independent charity Crimestoppers. They can be contacted by phone on 0800 555 111 or via their online reporting portal - [Giving information anonymously | Crimestoppers](#)

Seven facts about residential burglary

Burglars are often opportunistic thieves who prey on houses and flats. They seek out any opening that they can take advantage of, specifically doors and windows that are left open or unlocked or are easy to force. Anything of value that they might spot through a window will only spur them on. But it really doesn't take much to deter these thieves – just smart thinking.

Burglar facts

- Burglars target homes that they think will contain valuables. A sure giveaway is leaving packaging from expensive items outside your front door.
- Burglars often look for homes with windows or doors left open or with vulnerable features that they can exploit.
- Burglars are aware of the times when someone is expected to be away from their house such as during the school run or holidays.
- Burglars typically do not want to be seen or heard and if they feel that they would be noticed by a neighbour or passerby then they are more likely to feel exposed and may move on to find somewhere else to burgle.
- Burglars often choose a home because they've spotted a specific vehicle, motorcycle or bicycle they want to steal – and the keys are more than likely to be inside the residence.
- [Sheds and garages](#) are often vulnerable as they are not that secure and contain tools which the burglar can use to assist them to gain entry to a home.
- It's a fact that many burglars return to homes that they've previously burgled because the homeowner failed to upgrade security following the first burglary. They sometimes return to an area to try to burgle a nearby home that they spotted while committing a previous break in. Even more reason for you to ensure you keep your home as safe as houses.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

How protecting your garden makes your home safer

It may not seem obvious, but protecting your garden and outbuildings like sheds not only keeps bikes and other valuables safe but can also stop burglars accessing tools to get into your home.

1. Low front boundary; keep hedges and walls at the front of your house low (under one metre) so burglars have nowhere to hide.
2. Secure side gate: keep side gates locked at all times. Open gates mean burglars can easily access your home without being seen by passers-by or neighbours.
3. High side and rear boundaries with trellis and spiky defensive planting; keep hedges, walls and fences around your back garden high (over 1.8 metres). Add lightweight trellis to gates and fences and plant some prickly plants to make it harder for burglars to climb over.
4. Gravel driveway and path; gravel driveways and paths make it harder for burglars to go undetected.
5. Security light: install an outside security light so that intruders can't approach without being seen.
6. Intruder alarm system; install a burglar alarm system.
7. Secure your shed; always keep your shed locked and secured, and make sure it is anchored down to prevent it from being lifted in order to gain access. Often sheds contain valuables such as power tools and bicycles.
8. Never leave tools lying around; never leave tools lying around as they can be used as a way of breaking into your home.
