Acting on Community Concerns

Anti-Social Behaviour – General, E-Scooters and Nuisance Motorcycles, and Drugs

Time has been spent actively patrolling the areas bearing in mind reports of anti-social vehicles, nuisance youths with catapults and anti-social behaviour reports at Conningbrooke Lakes.

Police attended a community event at Conningbrook Lakes in mid-August, and there has been a decrease in report at this location.

You may have seen some updates on social media X/Twitter and MCV but here's one note from the past month...

This is an example of our how our patrolling intended for one purpose can result in other results.

Following reports of nuisance youths in the Kennington area, we were high visibility patrolling Guernsey Way when we saw this vehicle exit onto Trinity Road. Its driving behaviour aroused our suspicions, and we conducted a road side check. This developed into finding the driver has no licence to drive and no insurance. A roadside breath test found the driver to be double the legal limit.

He was arrested and has been charged for drink driving and document offences and now has a court date set.

His vehicle was seized reducing further harm to you the public.
