Speed enforcement activity

PC Cardy and PCSO Cooksammy recently carried out speed enforcement activity in the Bringtons alongside Councillor Rob Welford from Brington Parish Council on 13 April 2026. Several residents have raised concerns with both the council and the local neighbourhood policing team about speeding through the village. If you are concerned about speeding on a particular road in your area, please contact your local council or neighbourhood officers so that we can carry out speed gun enforcement activity where appropriate.

Daventry Country Park patrols

PCSO Cooksammy and PCSO Sangster have recently carried out a high-visibility patrol in Daventry Country Park following concerns from residents regarding youth anti-social behaviour. During the patrol, they engaged with park users, discussed any concerns raised, and encouraged people using the park to report anything suspicious or concerning that they may witness. If you're concerned about anything, please contact your neighbourhood policing team [here](#).

Please rate this message and let us know what you thought of the quarterly issue. If you have any topics you would like to see in the next issue, please let us know.
