## News

### Mayflower Primary School Patrols

PCSO Cook and PCSO Meerun were at the newest school on the Coleman Ward, the entrance is located at Caribbean Cricket Club on Ethel Road. This is a busy road with residential houses on the opposite side. It was great to interact with staff, parents and pupils, as well as advice being passed for verge parking.

### Humberstone Park and Shady Lane Arboretum Patrols

PC Mistry and PCSO Oleh soaked up the sun while conducting their regular patrols at Humberstone Park, further patrols were conducted at Shady Lane Arboretum. This included plenty of engagement with the community including both 2 legged and 4!

### Ward Meeting

SGT Hall and PCSO Cook attended the quarterly North Evington Ward meeting at St. Barnabas Library. This was a fantastic opportunity to discuss community concerns, ask questions and hear about ideas for local initiatives. If you want to come to the next Ward Meeting, it is anticipated to be held in around 3 months time and when finalised, the details will be published on Leicester City Council's website. This can be found [here](#) for North Evington and [here](#) for Evington.
