

DAVENHAM AND MOULTON

SEPTEMBER 2025 (1st August —31st August)

KEEP YOUR CHILD SAFE...

Over the past month we have received reports (as you can see inside this newsletter) of Two Males in a vehicle , pulling up alongside a youth who is walking at the time and trying to engage with them.

Both reported issues have occurred within the LEFTWICH AREA , but this could happen in other areas.

In both reported issues :

- there was one young male walking on a footpath
- Car pulls up (with two males inside) and window goes down
- One reported issues—they ask
 - "where are you going ?"
 - "what are you doing?"
- In the second reported issued—They told the youth to "get in the car"

Both incidents the youths refused to speak to them and went home and told their parents.

Unfortunately there was no vehicle details so we have no lines of enquiry as of yet in regards to this

We ask all parents within the community to speak to their kids about "STRANGER DANGER" not to speaking to anyone they don't know. And also to encourage them to speak to you if anything has happened.

Communication is key between parents and their children.

And again if you know of any issues like this please report them to 101.

MINI POLICE SUMMER

What is the MINI POLICE SUMMER ?

With schools closing for the summer, NORTHWICH POLICE use to provide community events for youths of the community to attend. This was in partnership with our partners who helped arranged and put on these events. However over time these community events became utilized by other areas , funding was not available or attendance for the events was low which

lead to event getting cancelled.

So we brought the Mini Police program into the summer community event schedule and carried on what the Mini Police were doing at school , over the course of the summer. Which lead to 4 MINI POLICE COURT sessions being held and the popular TACTICAL TRAINING DAY at CHESHIRE HEADQUARTERS.

This was open to any Mini Police officer from the community , past and present from Davenham , Hartford , Kingsmead and Rudheath

MINI POLICE TACKLE SPEEDING.

One of the main aspects of the MINI POLICE SUMMER was MINI POLICE COURT. This is where the Mini Police were working with the local policing team to tackle speeding. Officers were on CHESTER WAY with the Speed Gun and if any driver was caught travelling over the 30MPH (which was the speed limit) they were pulled over by officers and given a choice.

Take the ticket together with Fine and Points or attend Mini Police Court and get interviewed by the Mini Police about why they were speeding.

Over the course of the month a total of 31 drivers were interviewed by the Mini Police. Feedback from the people attending , include "That was terrifying " "I've learnt my lesson today" "that was worse that what I thought it would be".

MINI POLICE SUMMER

TACTICAL TRAINING UNIT

One of the events that was carried over from last year was the popular Tactical Training unit day. Which was held at Cheshire Constabulary HQ. The unit was opened up to the Mini Police to learn about other types of patrols that police can do.

The unit is vital in the training of all Police Officers who join Cheshire Constabulary, or as part of their yearly refresher courses.

Last year there was a maximum of 10 Mini Police, this year that was increased in which we had 20 giving up their summer to learn about policing.

At the Training Unit, the Mini Police learnt :

- Riot Shield Training
- patrolling in a team
- how to patrol as part of a team with riot shields
- how to protect the team when debris is being thrown
- how police enter properties, force of entry
- how to conduct a search in a property
- Riot Gear uniform
- Helping someone who is trapped in water

And then putting everything that they learnt together to conduct a warrant, searching and arresting someone (PCSO ROBERTSON) within a building.
