

Hollingdean and Fiveways Ward Update:

June 2025:

Key Concerns:

Currently some key concerns in the area include:

- Off -road motorbikes and Quad Bike usage around the vicinity of Lynchett Close
- Youth Anti-social behaviour and trespassing school grounds
- Deterring anti-social behaviour by implementing additional patrols during early and late shifts

Due to ongoing issues with youths trespassing, we have been working closely with other local schools to identify and manage these issues appropriately. Especially where children are involved, the main concern is their safety whilst trespassing.

Ward officers are working closely with the traffic department to help to manage the anti-social driving of motorcycles within the ward. We are in the process of arranging some days of action with the traffic team, so they can work closely using appropriate tactics to intercept and appropriately manage these vehicles.

Intelligence is regularly being submitted by ward officers, to ensure we have an up-to-date dashboard of vehicles involved in these types of issues.

Community Meetings:

The Hollingdean and Fiveways ward has gained another Ward Officer recently, this is myself, PCSO Kraft. In recent weeks, I have visited lots of the local businesses and schools to introduce myself and begin to build a rapport with the community within the ward.

Being new in the ward, I am keen to engage with all members of the community. If you would like to arrange a meeting or visit at all, please don't hesitate to contact us. This can be done by calling 101 or using the Sussex Police website and quoting PCSO Kraft 44235.

Incidents of Note/AOB:

You can find updates about the Hollingdean and Fiveways ward on the Sussex Police websites below. Crime statistics for the area can also be found here...
