PC Alex ALDRICH

PC Dave MARTIN

PCSO Pete SMITH

PC Amric GANDWAN

PCSO Pete HAZELDINE

PC Georgia POWELL

PCSO Sally-Ann MORGAN

PC Lee FLAVILL

#YouSaid - What matters to you

We have listened to your concerns and will prioritize the following areas:

Priority 1: Anti-Social Behaviour

Your Concerns: In Bonney Road, youths riding stolen motorcycles and causing anti-social behaviour (ASB) are a regular problem and pose a serious danger to local residents.

Our Actions:

- Collaborate closely with partner agencies to target individuals identified as causing the most harm in the area.
- Continue hotspot patrolling to address these issues.
- Visit individuals with the Child Criminal Exploitation (CCE) team to address potential vulnerabilities.

Priority 2: Theft from Stores

Your Concerns: Issues within local stores, with a request to reduce and prevent theft and support local businesses with retail crime.

Our Actions:

- Conduct various activities as part of our response to the retail crime week of action.
- Successfully secure a Criminal Behaviour Order for our most prominent offender.

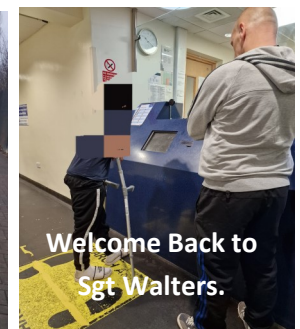

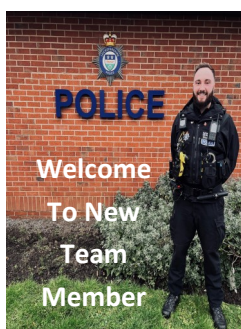

Priority 3: Anti-Social Behaviour (Drug-related)

Your Concerns: Drug dealing and general anti-social behaviour in and around the Burns flats.

Our Actions:

- Continue patrols around the flats.
- Hold beat surgeries to engage with the community and address these issues.

#WeDid - Snapshots

News and Community Events February

Vehicles stopped and dealt with for numerous offences .

- The local neighbourhood team has been busy this February with patrols, covering response, beat engagement events, assisting with scenes and helping out with CCTV enquiries.
- We have also welcomed back Sgt Walters who has come back with a bang.
- Community Impact assessment was created in light of recent events. This has involved extra patrols and more focused policing in specific areas of the Western Ward to prevent escalation of any issues. This has been very effective and well received by local residents.
- Western Ward team started February with a number of Anti-social behaviour reports as well as community issues to address which required working with council CCTV, Issuing letters and making visits. This has reduced the amount of issues. These reports were shop theft by well known person. motorbikes around the area and a persons wanted. The team have also stop a vehicle linked to organised crime and recovered numerous items whilst conducting routine speed checks
- PCSO 6113 Pete has finished his final month with us and is leaving to become a PC. He has spent 3 yrs 9 months on the beat and has been a real asset to the team and the community of the Western Ward we wish him all the best in his new adventure .

Goodbye To PCSO 6113 Pete

Best of luck on your new adventure as a PC
