### ***Staying safe as the longer Nights Draw in***

Please take extra care when you are out and about, if you are either walking, cycling or driving. If you are on a bike, make sure you have working lights on the front and the back of the bike.

Those who are driving vehicles, make sure you check the headlights, brake lights and rear lights. If you are walking during the nighttime, consider wearing bright colours, and adding reflective materials to your dog.

### ***Upcoming community meetings***

Unfortunately, due to being light duties again I cannot make any meetings at this time.

If anything changes, I will keep you up to date.

### ***Ward Priorities – December 2025***

We continue to focus on the following key issues in the South Portslade area

- Ongoing anti-social behaviour linked to drug use
- Youth anti-social behaviour
