## **What we've been doing this month**

### **Your Ward Priorities**

Reducing ASB, drug activity and drug dealing throughout the neighbourhood.

A quick thank you to PCSO Smyth who collated and distributed the last newsletter. Our PC patrols with Street Duties and Special Constables through ward priorities have continued. Stop and searches were conducted by PC Gilbert on the Surrey Canal Path and Peckham Square with the TCT in attendance. Other hotspot areas have been patrolled and CPW/CPNs issued; whilst also going through the process of closure orders for ASB and drug on certain properties. Along with this we have also been conducting joint patrols with the council wardens.

Whilst you can always contact us by phone or email, you can also use Met.ENGAGE. Click/cut and paste the links below... <https://www.metengage.co.uk/SNTMD-Peckham@met.police.uk>

Community engagement activities of note this month were with The Bradfield Club on Commercial Way, children from five to fifteen years of age met and chatted with PCSO Broughton-Rates to get a clearer idea of PCSO and PC functions within the Met; in short, how they can help everyone in the room. PCSO Broughton-Rates would like to thank all who participated in that afternoon and SNT have already been invited back for a longer meet and possibly a Basketball Game...

Finally, thank you to Althea Smith from Nunhead & Queens Road who has given us the ability to house our next Ward Panel meeting at DENE COMMUNITY CENTRE on MEETING HOUSE LANE, SE15 (next month from 18:00 on May 19th) while CORNERSTONE is being worked on.
