## Family fun day

PCSO Fenner recently attended a family fun day with Northamptonshire Foster Carers Association at the rugby club on Sywell Road, Wellingborough. The event was organised for children in foster care and their carers. The family fun day also highlighted the importance of bringing local communities together, providing an opportunity for Northamptonshire Police to engage with foster families, build positive relationships, and promote community safety in an informal and supportive environment. If you have an upcoming event, you'd like to notify us about, you can contact your local officers through the local area page [here](#).

## Week of action: Targeting untaxed vehicles

Officers from the Wellingborough neighbourhood policing team carried out a targeted week of action tackling untaxed vehicles in June. This vehicle was removed from Alexandra Road, Wellingborough. Alexandra Road experiences a high volume of on street parking with limited available spaces, and the removal of untaxed vehicles helps relieve pressure and makes additional parking spaces available for residents. To report an untaxed vehicle parked on a public road, you can report it anonymously online [here](#). If you're concerned about a vehicle in your area, contact your local team [here](#).

## Operation Spotlight

Throughout July, officers will be joining forces across the UK to shine the spotlight on the fatal four driving offences which are considered the main causes in road traffic collisions. Operation Spotlight aims to raise awareness of the dangers and consequences of the four biggest contributory factors in collisions - driving under the influence of drink or drugs, mobile phone use, speeding and not wearing a seatbelt. In Northamptonshire last July, there were 77 arrests for driving under the influence of drink or drugs on the county's roads while a total of 7,693 fixed penalty notices were issued for excessive speed, 127 for not wearing a seatbelt and 42 for using a mobile phone at the wheel. In addition to the traditional fatal four driving offences, the Force will also be focusing on the fifth contributory factor in collisions – careless driving – after a further 67 road users were reported due to poor driving standard.

Anyone with information about road safety concerns or any vehicle crime is asked to report it online at [www.northants.police.uk/reportonline](http://www.northants.police.uk/reportonline) or call Northamptonshire Police on 101. Alternatively, you can call Crimestoppers anonymously on 0800 555 111. Always call 999 in the event of an emergency, such as a crime in progress or where life is at risk. Find out more [here](#).

## Clear Hold Build- Croyland estate

A targeted partnership initiative to reduce crime and anti-social behaviour is underway on the Croyland estate in Wellingborough. The project follows the Home Office's Clear Hold Build approach, which aims to reduce crime, improve public spaces and create sustainable, long-term change by working closely with communities. Activity has been underway since March, with officers concentrating on disrupting criminal behaviour while engaging with residents to better understand the concerns that matter most to them.
