

DAVENHAM AND MOULTON

OCTOBER 2025

(1st September —30th September)

PREVENTION TALKS / PRESENTATION TO SCHOOLS

With an increase of issues this past AUGUST which involved youths within the community causing ANTI SOCIAL BEHAVIOUR issues. PCSO ROBERTSON has been working with our primary schools to attend the schools and provide talks about CRIMES AND CONSEQUENCES to Years 5 and 6.

Did you know that at the age of 10 , children are criminally responsible and can get arrested. Not many parents know this.

This is the reason why we are attending schools to help prevent and teach the children that their actions can get them into trouble with the police.

In these talks , we are open and honest and discuss past issues ,without naming individuals or places that incidents occur. As not all youths know what is classed as ANTI SOCIAL BEHAVIOUR. And with that we discuss what is classed as ANTI SOCIAL BEHAVIOUR , such as :

- Swearing , shouting
- Throwing items
- Noise (loud music)
- Knock and Run

One of the big issues that we see with the youths is the fact they do KNOCK AND RUN. It may be a game to them , but there is a Victim on the other side, especially when its targeted at the same individual over a period of time.

Plus within these presentations we also discuss , GUILTY BY ASSOCIATION , meaning if they are in a group and 1 individual is causing an issue , then they can ALL get into trouble , if they don't prevent the issue occurring or staying within the group (as it shows they accept that persons behaviour)

These presentations have took place with KINGSMEAD and LEFTWICH primary schools , with MOULTON school having the talk in OCTOBER.

The presentations have been received very positively by all of those who have attended.

And as we end the presentations , they (the individual , are the most important person to keep themselves safe,
