

Issue: June 2024

What we are doing

ASB

ASB (Anti-Social Behaviour) is where someone's behaviour or conduct causes harassment, alarm or distress to another person.

At this time of year with the lighter nights we notice an increase in the number of calls we receive around ASB, in particular on our parks and open spaces.

In response to this the team will be increasing their patrols on Spinney Hill Park, Highfields and Willow Street, St Matthews.

We will also focus on the courtyards on St Matthews where we get complaints of children playing football and generally being noisy very late at night. Tenants can also speak to their housing officer regarding this.

We are also regularly patrolling all the tower blocks in Highfields.

If we find issues with ASB we generally work with Leicester City Council and the tenants to get things sorted as soon as possible where we can.

If you have a problem with noisy neighbours then you should call the Noise Nuisance team at Leicester City Council in the first instance on 0116 4543050.

In Your Community

Some of the events your team have attended during June:

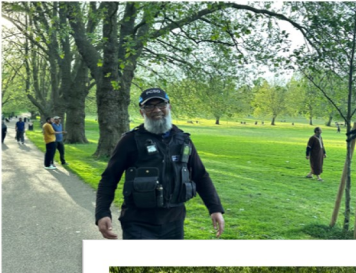

PC Amy and PC Marcus have been chatting with children at Uplands Primary School.

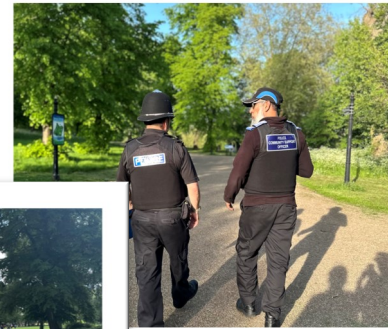

PC Whitehead and PCSO Karen attended Shenton Primary School Fair on a lovely sunny day. The children chatted to officers and had a look around the police car.

In Your Community ...

The team patrol Spinney Hill Park every day. Please come and talk to us when you see us.

PC Nicky and PCSO Karen had lunch with the children at Taylor Road School. This is a lovely way for officers to engage with the children in an informal setting.
