What we have done #yousaidwedid

The use of **Illegal, dangerous motorcycles** in South Wigston remains a priority for many residents and is frequently raised as a serious safety concern. Many of these bikes are illegally modified e-bikes or unregistered electric off-road motorcycles which are difficult to identify and harder to stop.

As mentioned previously, we stop as many as we can, all illegal bikes stopped are seized and destroyed and we use your reports to build an intelligence picture to retrospectively find and seize these bikes (and report the riders for relevant offences). Please continue to bear with us as we try to tackle this growing issue.

Burglary is a growing concern now the darker nights are drawing in – and rightly so – but this year we have implemented measures to reduce burglary in South Wigston and we are incredibly pleased with the progress being made.

We ask that everybody stays vigilant and reports any suspicious behaviour, share this information with friends and neighbours too.

Please make sure you follow these **five** steps to help reduce your chance of becoming a burglary victim:

1. **Secure** your property and your belongings. Use locks, deadbolts, security chains, safes and faraday pouches for keyless car keys.
2. **Light** up your home – Inside and outside. Use motion activated lights near entry points.
3. **Alarm** your property – if you have a burglar alarm, ensure it works, and set it. Use inexpensive window or door vibration alarms when you are in bed or out of the house (anything with the 'Secure By Design' logo)
4. **CCTV** – invest in a camera or two if you can. Don't rely on CCTV alone as a deterrent, use the steps above first and use CCTV to provide us with evidence or intelligence.
5. **Knowledge** sharing is key – share anything of note with friends, neighbours, other local residents and the Police.

This week we identified and arrested a wanted burglar in the area, as well as arresting a burglar still inside an address. We also arrested two on suspicion of aggravated burglary on a neighbouring beat and two people outstanding for a robbery in South Wigston! These arrests send a message to other criminal associates that we are always looking for them and we **will** arrest them.

Drug dealing has been raised as an issue at several addresses in South Wigston, and even in some public places. We continue to gather intelligence about addresses linked to drugs in order to secure court warrants, and we continue to patrol affected areas to deter drug use and to identify those involved. Anybody seen in areas linked to drugs will be subject to a Stop Search.

Please continue to share any and all information you think may be relevant – even if we cannot take immediate action, all information helps us to keep South Wigston safe.
