Kings Heath refresh

Officers from the Northampton Neighbourhood Policing Team attended a two-day Kings Heath refresh event with the local community and partner organisations in March. The event focused on repainting walls, installing raised beds, and making the square a better place for everyone to enjoy. This was a great opportunity for officers to interact with the local community, discuss any concerns or issues in the area, and work collaboratively towards a shared goal. If you're interested in getting your local team involved in an upcoming project or event, please contact your neighbourhood policing team [here](#).
