

# LOCK SNAPPING BURGLARIES

## TOP TIPS ON STEPS YOU CAN TAKE TO PROTECT YOUR HOME

- 1 Look to upgrade euro cylinder locks on your external doors to an anti snap cylinder with a 3 star rating under TS 007 and/or the Sold Secure Diamond Standard.
- 2 Consider improving your door handles and by replacing them with a 2 star rating under TS 007. These locks can also protect against blow torch burglaries.
- 3 Use a reputable lock replacement company, preferably with Master Locksmiths Association accreditation. Visit [www.locksmiths.co.uk](http://www.locksmiths.co.uk) for more information.
- 4 You may also be able to fit sash jammers to your doors, which can help to prevent burglaries. Check it won't invalidate any warranty on an existing door.
- 5 Consider fitting additional locks to patio and French doors to increase security.
