- PC 1574 Amelia Nicholson
- PCSO 6144 Jade Martin
- PCSO 6130 Gaynor Colley

## What matters to you

We have listened to you and the concerns you raise

Our beat priorities continue to be:

**Priority 1: ASB. What we are going to do:** The beat team aim to tackle incidences of ASB within the villages including the parks and beauty spots of Charnwood West utilising ASB and civil legislation and patrols in locations identified as subject to ASB.

**Priority 2: Speeding and Road safety. What we are going to do:** The beat team will deal with issues of road safety and speeding in Charnwood West villages. If you believe that there is an issue in your area, let the beat team know.

**Priority 3: Drugs. What we are going to do:** The beat team will deal with incidences of drug use and dealing across the beat area. Patrolling identified areas, utilising stop search powers where available and develop intelligence to allow us to target dealing within your area.

### Charnwood West covers the below areas

|-------------------|---------------|-------------------|
| • Rothley         | • Woodhouse   | • Newtown Linford |
| • Quorn           | • Swithland   | • Cropston        |
| • Woodhouse Eaves | • Thurstaston | • Ulverscroft     |

# News

July 2025

The Charnwood West Dedicated Neighbourhood Team have been working throughout July to tackle our chosen priorities of Speeding and Road Traffic Safety, Anti Social Behaviour and Drugs (including use and drug dealing). All the team featuring Sergeant Adkin, PC Nicholson, PCSO Martin and PCSO Colley have been working both out on the beat engaging with the community, and completing essential behind the scenes administrative work on the below and other aspects of policing:

## Speeding and Road Traffic Safety

The Charnwood West Dedicated Neighbourhood Officers (DNO) team remains committed to tackling speeding and promoting road safety in our communities. Guided by local feedback and data analysis, we continue to focus our efforts on high-risk areas.

Our mobile speed enforcement operations are ongoing, with officers actively issuing Traffic Offence Reports and warnings where necessary. Here's a snapshot of our recent activity:

- 21st July – Main Street, Swithland: Most drivers adhered to the speed limit. However, two vehicles were recorded travelling at 37mph and were issued tickets.
- 24th July – Charnwood West: Rush hour patrols were conducted across known speeding hotspots to deter dangerous driving and reinforce safe road use.

We appreciate the community's continued support in making our roads safer for everyone.

## Anti-Social Behaviour

The Charnwood West Beat Team continues to carry out weekly patrols in areas identified as anti-social behaviour (ASB) hotspots. Working in close partnership with Charnwood Borough Council and local housing providers, we're ensuring a joined-up response to ongoing concerns.

Throughout July, officers maintained a strong presence in key locations, with particular attention given to local parks during the summer months. The team also continued to apply the ASB incremental approach to address persistent issues effectively.

In addition, two joint-agency meetings were held to assess and plan further action in response to concerns raised at:

- Ploughlands, Quorn
- Kinchley Lane, Rothley

These collaborative efforts are vital in helping us respond swiftly and appropriately to community concerns.

## Drugs and Drug Dealing

The Charnwood West Beat Team has been carrying out high-visibility patrols in areas linked to drug use and supply, with a strong focus on intelligence gathering. Officers are actively collecting and submitting information on individuals and locations of concern across Quorn, Rothley, Swithland, and Woodhouse Eaves, helping to build a clearer picture of local drug-related activity.

We are closely monitoring reports and working to develop this intelligence further. In partnership with the Neighbourhood Priority Team, targeted enforcement is underway to address properties and areas connected to drug dealing, cultivation, and use.
