Your Local Ward PCSO

Update

According to statistics, based on number of calls received, crime is down across the ward.

Ward Successes

Tyson Place

One of the principal suspects in the drug dealing / ASB at Tyson Place has been arrested and is being held in custody prior to trial. This seems to have taken the edge off of the dealing to a great degree. We will of course continue to try and tackle the remaining problem flats.

Craven Vale and Queensway

Having attended several community meetings, it has been reported to me by residence that the robust attitude taken by Sussex Police has resulted in an extended period of crime free peace.

Current Priorities & Hotspots

Drug Activity in Queen's Park & Tarner Park

Reports of drug dealing and use in the parks and other green spaces on the ward have begun to rise again. The Neighbourhood Policing team are committed to increasing the number high visibility patrols in those 'hot spots'
