Subject: Neighbourhood Watch Scheme - Huxley Close

Hi Adrian,

I am Mike and I am a volunteer who assists with the administration of Neighbourhood Watch schemes in Cheshire.

I have been in contact with your local PCSO – Lorcan Cannard who was enquiring about the Huxley Close scheme. He informed me that the coordinator had passed away, and the scheme was not 'active' as such and that you would be interested in re-establishing it.

That's great news, and we can certainly assist you in that task. I understand that you would take over the role of scheme coordinator, which is not an onerous task as its already in existence.

Rather than write a long email and then you reply, it would be more beneficial if we can have a phone conversation where you can ask questions and I can give you a brief outline how the scheme works / best practice etc.

I have your contact number on your account page so I just need a rough idea when are the best times / days (daytime or evening) for you and so I can see when it's convenient for both of us.

Regards

Mike
