What matters to you

From data collated from local surveys, beat knowledge, intelligence and reports made to Leicestershire Police, the following have been highlighted as priorities within the community.

Priority 1: Drugs.

You said: Drug use and supply is ongoing in the Saffron Lane Estate and in other areas of the community.

We did: Officers recently seized a large quantity of NOS cannisters and suspected class A drugs on Cavendish Road after a report was made regarding a vehicle and its occupants consuming drugs whilst sat in the vehicle. Officers attended and found the items after a search, two individuals were arrested at the scene with further enquires ongoing.

Priority 2: Anti-Social Behaviour (ASB) in open spaces.

You said: ASB in open spaces is still occurring in parks, play areas and other areas.

We did: An ASB warning letter was recently issued to residents of an address where there had been numerous reports of excessive noise and people gathering outside in the late hours. The warning was issued in partnership with the local council and if not adhered to will result in further action being taken.

Priority 3: Vehicle Misuse/Safety.

You said: There has been an increase in vehicles being used in an unsafe manner.

We did: A vehicle was recently seized on Knighton Lane East for being parked on the public road despite being declared as SORN, the vehicle was sighted by officers out on patrol, the vehicle was also badly damaged and taken to prevent it being used in further crime or ASB, if you are declaring a vehicle as SORN keep it off the road.
