This is your July ward update for Hove Park and Westdene, by PCSO Munro-Stevenson and PCSO Matthews

My name is Elliot; I have had Hove Park and Westdene as my ward for a while now. I have seen many people out and about on the ward. I also cover Faith and Engagement within Brighton and Hove as well. PCSO Matthews is about on the ward as well.

If you see me or my colleagues out and about, feel free to come and say HI!

CURRENT WARD PRIORITIES – Drug dealing, protest issues and ASB with Green spaces.

Drug dealing – We have had no reports for Dyke Road Park, and any dealing however there has been a few patrols taking place to reduce dealing in the area.

Protest Issues – Coral's stadium has been a seasonal issue around protests; these issues are mainly noise complaints which lies with the local council to deal with however patrols do take place to support with any public order issues that may arise.

ASB – There have been fewer reports of ASB within the local green spaces this month however with the weather getting better and half term on the way I believe this will become an issue again.

Ward Patrols

Drug dealing – There has been patrols conducted within the ward all month, with the main patrols being in the green spaces on the ward to support with ASB and drug dealing.
