

Rother District Burglary Dwelling and Vehicle Crime Alert 15/10/2026 – 30/10/2026

Introduction

Please find below full details of burglary and vehicle crime alerts.

Local crime data from the Power BI dashboard provides an overview of key patterns including heat maps that highlight hotspot areas, trends showing the most common days and times offences occur, and specific locations where crime is reported.

It also includes information on Modus Operandi (MO), meaning *how the crime was carried out*, such as the offender's methods or approach.

This data is provided to Neighbourhood Watch for crime prevention purposes, some data may be removed from this report where there is an operational need, or where there is a risk that personal information may be identified.

Sussex Police has a duty to ensure no personal information is shared without the person's consent.
