PC Jenny Morris
Sergeant Mark Spence
PCSO Danny Yeatman
In addition we also have
PCSO Sarah Eastwood.**

Your priorities are chosen quarterly and are based upon information gathered through NHL (Neighbourhood Link), social media, local engagement, and emerging crime trends. You have stated that the following key themes are important to you. #YouSaidWeDid

You Said	We did
<p>Burglaries have become a force Priority. Burglaries in the 20 beat area include car-key breaks, residential, aggravated breaks, attempt breaks and business burglaries.</p>	<p>A couple of burglaries have been reported to us in the Narborough area, these are currently under investigation.</p>
<p>Complaints have been received at various locations within the beat area regarding general ASB including nuisance motorbikes and ASB issues on the fosse park area including Mcdonalds.</p>	<p>Reports of ASB on Tay Road, Lubbesthorpe. Investigation is continuing.</p>
<p>Road safety is a concern for us on the NH20 beat. This involves speeding on the main busy roads and within residential areas, parking around school zones at pick up and drop of time. Inconsiderate parking on corners and in dangerous positions, blocking pavements and causing pedestrians to have to walk on the road and any abandoned vehicles.</p>	<p>Reports of poor parking on School Lane, Narborough caused a vehicle to become stuck and blocked the street. Please be mindful of where and how you park.</p>

News

PCSO Danny gave a talk to the Narborough Beavers about recognising people whom we trust in the community, he also did a show and tell around the car and of course a bit of a play with the lights and sirens whilst demonstrating what we use our kit for. Thanks for having us and thank you Beavers for all of your cracking questions. Remember if you see us, stop us and say hello!

PCSO Danny and PCSO 6028 Ryan attended Jubilee Park as a report of a herd of cows had managed to get onto Jubilee Park. After initially being told it was a small number it turned out to be around 30 cows. Whilst they were contained in the park from the public highway, the risk to members of the public were still there, due to the children's play park and a hot spot for local dog walkers meant that this could be a cause of concern and potential escalation. After a bit of running around, herding and enquiries completed around where they had come from and whom they belonged to, the owner came and brought the cavalry and put our herding skills to shame. It just goes to show, team work makes the dream work.

A 20-year-old man arrested on suspicion of causing death by dangerous driving following a collision in Blaby Road, Enderby, during the early hours of Saturday 17th May has been released under investigation. Our enquiries remain ongoing. Police were called to the area at 1.08am following a report that a silver Mazda3 car had collided into a ditch in the area. The driver of the car, a man in his 20s, was sadly pronounced deceased at the scene. Officers are providing full support to the family of the deceased man. "Did you see the collision? Or did you see the silver Mazda3 car or the old-style black VW Golf car mentioned prior to the incident? Do you have any CCTV or dashcam footage that you think could assist our investigation? "If you have any information, please make contact with us. You can report online at <https://leicspolice.link/O5uSh> or call 101 quoting incident 25*284350. Thank you."
